

# PE & Sports Premium 2020-21

This page is left intentionally blank.

The Government provides annual school's sports funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and sees money going directly to primary schools and special schools with primary aged children to spend on improving the quality of sport and PE for all their pupils.

The sport funding can only be spent on sport and PE provision in schools. OFSTED plays a significant role in ensuring that schools target this funding in areas which lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. The Leicester City Primary PRU received a sum of £9,000 for the period of 2019-20, which was paid in two instalments over the course of the year 2019-20.

### Purpose of Funding

Schools have to spend the funding on improving their provision of PE and school sport, but they will have the freedom to choose how they do this.

### How does Leicester City Primary PRU use the funding?

There is a growing evidence base that clearly demonstrates the impact of sport in improving behaviour and attendance in schools. The improvement of both can also positively impact on academic achievement. A number of recent reports and 'in progress' studies demonstrate the value of sport in improving the behaviour of young people. - Youth Sport Trust

As little as 10 minutes of additional organised physical activity in or outside the classroom implemented into the school day improves classroom behaviour, and consequently may enhance academic performance.

At Leicester PRU the Alternative Provision Curriculum places a strong emphasis on Physical Activity within school and we make effective arrangements with other providers to ensure pupils a good quality PE. Regular participation in quality physical activity provides children with the opportunity to grow and develop the essential components of a healthy and balanced wellbeing.

### Primary School's Sports Funding

Click here for the Department of Education link to the [Primary School's Sports Funding page](#).

**Grant Allocation**

**2020 – 2021**

**April 2020-August 2020, 2<sup>nd</sup> amount (Sept 20-Apr 2021) has not been confirmed by the Government as yet.**
